

Mr. Troy Schwehr
F.C. Dadson, Inc.
N1043 Craftsmen Dr.
Greenville, WI 54942

Dear Troy:

We at Submarina would like to thank you and the F.C. Dadson team for their outstanding work in helping us open our newest locations. We have worked with various fixture and equipment vendors in the past, but your company's order fulfillment capabilities have far exceeded the competition. Your "one-stop-shop" program of services has saved us valuable time and your team's attention to detail leaves us confident that the equipment will be ordered, fixtures manufactured, and everything delivered and installed on time and within budget. Additionally, the effective communication flow and expertise displayed by your company has helped make opening locations less painful and more enjoyable.

Again, we thank you and your team for their dedication and commitment to helping Submarina open over 30 stores the last 2 years.

Sincerely,

Geoff Hartzler
Director of Design & Construction
